

MULTI-ENGINE RATING

OBTAINING YOUR MULTI-ENGINE RATING

The Multi-Engine Rating program is designed for those who want to fly bigger aircraft with more than one engine. This rating is perhaps the most fun to obtain. There is really not too much new to learn apart from the aircraft itself, but it provides the pilot with loads of flexibility in operations. The comfort in the sky of a multi-engine aircraft is unrivaled by any single.

ESTIMATED TRAINING COSTS

Note: Prices based on a Piper PA-30, subject to change based on aircraft used

Description	Hours	Rate/Hour	Total
Dual	10	\$390	\$3,900
Ground Briefing	5	75	375
Flight Test and Licensing fee			770
			<u>\$5,045</u>

Note: The cost estimate shown is based on the minimum number of hours required and may actually be higher. The actual number of hours depends on many factors such as prior experience in small aeroplanes, frequency of training sessions, and learning pace.
